

MyFoundationsLab

1. **What is MyFoundationsLab?**

MyFoundationsLab (MFL) is an easy to use on-line learning system offering skills training based on your Accuplacer results. MFL generates a personalized learning plan for each student.

2. **Is MyFoundationsLab mandatory?**

Yes. If MyFoundationsLab is not completed with the required Accuplacer exit assessment, SATCC will withdraw the application and you will not move forward with technical training

3. **When does MyFoundationsLab have to be completed?**

You must complete MyFoundationsLab within six (6) months.

4. **Once MyFoundationsLab is completed, what is the next step?**

Contact the SATCC office at 1-306-933-8476 for Accuplacer exit assessment information.

5. **What happens to my application if I meet the required benchmarks for the MyFoundationsLab exit assessment?**

If you reach the benchmarks for apprenticeship, and if all other admission requirements have been met, you will receive a letter indicating that we will continue with the registration of your apprenticeship or you will now qualify to move forward with technical training.

6. **What happens to my application if I do not meet the required benchmarks for the MyFoundationsLab exit assessment?**

If your results are below the required benchmarks, you will be contacted by the SATCC outlining the next steps applicable to your registration or technical training options.
